
Harvard ManageMentor

Access online premier leadership
resources for your school.

HARVARD
ManageMentor®

Independent Schools Victoria (ISV), in partnership with Harvard Business Publishing, is offering Principals and other thought leaders across the school community access to resources that will prepare them and their school for the changing world of education.

Two highly regarded products are available on a subscription basis: Harvard ManageMentor® and Harvard ManageMentor Spark™.

Together, the two create an exciting on-demand learning and performance support resource that delivers management skills and current research with 24/7 access to the latest articles, courses and tools from Harvard Business Publishing.

Harvard ManageMentor®

Harvard ManageMentor® is an online resource at your fingertips 24/7, providing leadership support and training. How to create presentations, setting up a budget, seeking advice on performance management and staff growth, are just a few of the 41 critical management topics that can be accessed through Harvard ManageMentor®.

Each online topic includes practical advice and tools, giving you the confidence that the material is evidence based, fuelled by the latest in thinking and proven practices from Harvard Business Publishing's world-class experts.

Highlights

- interactive exercises help you prepare for real-world challenges
- flexible, self-directed learning options
- expert commentary and real-life examples from Harvard Business School faculty and business leaders
- high quality content – topics, videos, tools and on-the-job activities
- downloadable tools and templates
- used by more than 1000 organisations worldwide.

Harvard ManageMentor Spark™

Harvard ManageMentor Spark™ delivers a personalised, learner-driven experience through short-burst micro learning. The type and length of content is based on your specific needs, interests and time commitment. Featuring a 'mobile first' approach, it empowers learners to navigate their own experience, on their terms.

Harvard ManageMentor Spark™ is an invaluable tool to stay abreast of professional reading and be exposed to new content and thinking from education and business perspectives.

Highlights

- supports both short-burst learning and skill mastery
- encourages engagement and continuous learning
- accelerates the creation of high-performance teams
- leverages proven approaches to leadership development
- integrates learning into busy work schedules
- engages learners with curated, updated content on a wide range of topics
- targets common, challenging skills with skill builders
- tailors experience to personal goals, schedules and content preferences
- motivates and helps make learning a habit with relevant, personalised recommendations.

Member Schools benefits

- heavily subsidised subscription with SPARK
- monthly feature article
- opportunity to network with other subscribed schools
- content aligned with ISV School Process Architecture (isConnect)
- Invitation to learning cafes facilitated by ISV advisors.

The ISV School Improvement team is ready to help you make the most of these resources to stimulate and energise your leadership teams, including creating your own learning pathways using the resource.

Subscription cost

The subscription cost for Member Schools is AUD \$285 excluding GST per person until 30 April 2021. This offer is highly subsidised due to ISV's partnership with Harvard Business Publishing (usual price is USD \$665).

Register for your subscription through isLearn.

Find out more

Greater subsidised prices are available for multiple licences at the one school. For more information please contact:
